**Convention and Trade Show  
September 9 – 11 2009  
Charlotte, NC**

**Manufacturer Focus Groups**

This year we are pleased to offer Focus Groups in the schedule. Each manufacturer will have the opportunity to present to conference attendees, new products, new ideas, company developments, and get direct feedback from the Dealer's.

Manufacturers will purchase ½ hour time slots in a closed-room setting. **The session will be open to all conference attendees with the exception of other Manufacturers.** Your time **will NOT** compete with any other scheduled events or other manufacturer's time slots. **Don't miss out on this spectacular opportunity!!!** Promote your company; reach out to new prospective customers while retaining your existing clients.

The fees have been set at **\$275.00 per half hour**. Depending on how many sessions are sold, the Focus Groups will begin on Friday morning.

**Once we have everyone signed up, you will be notified of your time.**
